Geospatial or map data maintained by the Harris Central Appraisal District is for informational purposes and may **not** have been prepared for or be suitable for legal, engineering, or surveying purposes. It does **not** represent an on-the-ground survey and only represents the approximate location of property boundaries.

A map of the Washington, D.C. area, including parts of Maryland and Virginia. The map shows the Potomac River to the south and the Chesapeake Bay to the east. A green circle marks the location of the study site in the southeast quadrant of the District of Columbia, near the intersection of the Annapolis and Capital City highways.
